This letter is in support of nominating Alexis Moore as a member of the U. S. Department of Justice National Advisory Committee. She is a survivor of domestic violence and is willing to share her experience to encourage others.

Ms. Moore is dedicated and works diligently to assist in changing legislation. Her commitment to helping victims of crime and her expertise in Internet crimes will be helpful as criminals are increasingly using electronics to monitor and stalk their victims.

Ms. Moore will be an asset to the committee. Thank you for considering her nomination.

If you need additional information, please contact me.
